

Lines:

Empire State Building
The vertical lines on the building show that it is strong and stable. Also, it shows the dignity and power in the building.

Form/Shape:

JVC (VICTOR) RC-M90 BOOM BOX aka Ghetto Blaster

There are many different shapes on this boom box like circles, rectangles, and squares. This helps make a more interesting and appealing product.

Color:

This warm-colored room looks very relaxed and inviting. This changes the attitude to very calm and relaxed because of the warm light and dark room. This is more soothing than a bright room and is easier to look at.

Space:

Huntley Area Public Library Cramped Offices
The space in the photo is very cramped and cluttered and is trying to use the space cost-effectively. This space is very busy.

Value:

This shirt changes shades from top to bottom. The darkness is more prominent at the top and fades out to white at the bottom.

Texture:

This tree has a rough texture. It absorbs most light and is not very vibrant. The bumps on the tree are also related to purpose.
